

SECOND REGULAR SESSION
HOUSE COMMITTEE SUBSTITUTE FOR
SENATE BILL NO. 819
93RD GENERAL ASSEMBLY

Reported from the Committee on Professional Registration and Licensing April 11, 2006 with recommendation that House Committee Substitute for Senate Bill No. 819 Do Pass by Consent. Referred to the Committee on Rules pursuant to Rule 25(26)(f).

STEPHEN S. DAVIS, Chief Clerk

4152L.02C

AN ACT

To repeal section 327.391, RSMo, and to enact in lieu thereof two new sections relating to professional engineer and land surveyor licenses.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 327.391, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 327.391 and 327.392, to read as follows:

327.391. The board shall upon application issue a license to any [engineer or professional land surveyor who is at least fifty years of age,] **individual** who has at least twenty years of satisfactory experience, and who passes [a written examination or holds a degree at the bachelor's level or higher in engineering or science and passes an oral examination,] **the Fundamentals of Land Surveying examination, the Professional Land Surveying examination, and the Missouri State Specific examination** provided that any such application is accompanied by the required fee.

327.392. 1. The board shall upon application issue a professional engineering license to any individual who holds a degree at the bachelor's level or higher in engineering and who has at least twenty years of satisfactory engineering experience, and who passes part two of the written examination defined in section 327.241, provided that any such application is accompanied by the required fee.

2. The board shall upon application issue a professional engineering license to any individual who holds a degree from an Engineering Accreditation Commission of the

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

8 Accreditation Board for Engineering and Technology (ABET, INC.) or its equivalent and
9 a doctorate in engineering from an institution that offers Engineering Accreditation
10 Commission programs, and who passes part two of the written examination defined in
11 section 327.241, provided that any such application is accompanied by the required fee.
12 The doctorate degree must be approved by the board for the candidate to qualify.
